9. (Unclassified - BAA) Louise O'Brien, House International Relations Committee staff, called and requested the names and titles of the men who will be doing the briefing tomorrow of the Subcommittee on Investigations. I supplied Ms. O'Brien with the information.

10. (Unclassified - BAA) Barbara Bowserman, OMB, called and said she had a package for Mr. Cary and would like one of our couriers to pick it up. Arrangements were made for the package to be picked up at 0900 hours tomorrow.

11. (Unclassified - LLM) Dropped by to see Pat Holt, Senate Foreign Relations Committee staff, to provide some personnel figures for the use only of Chairman John Sparkman (D., Ala.) on an if and when needed basis. He was tied up all afternoon on the South Vietnamese refugee aid bill.

12. (Internal Use Only - LLM) Bill Jones, INR/State, called with respect to our earlier conversation on the proposed legislation on unauthorized disclosure of intelligence sources and methods indicating that Mr. Hyland had agreed with Mr. Malmberg that the timing of the proposal was not propitious. Jones thus suggested that we concentrate on making our own suggestions to State's proposed response to OMB on this matter directly with Malmberg.

13. (Secret - PLC) Al Tarabochia, Staff Member, ~~Senate Judiciary~~ Subcommittee on Internal Security called concerning a photo of Senator and Mrs. George McGovern, (D., S. Dak.) in a jeep with Fidel Castro in Cuba, which appeared in today's Washington Post. According to Tarabochia, his sources tentatively identified the woman sitting between Castro and Mrs. McGovern as a Cuban intelligence-type, first name "Alina or Elena". He asked that I confirm the information and call him back. DDO is checking.

11. (Unclassified - RJK) Dick D'Amato, on the staff of Representative James M. Jeffords (R., Vt.), called saying he had been referred to us by the Congressional Research Service, Library of Congress. He is working on oil legislation and is interested in an Indonesian oil company, Pertamina, which may serve as a model for his legislation research. Also, he will be travelling to Indonesia to evaluate the operations of the company with its full approval. I told him that I would look into the matter and see if there was anything we could provide him.

12. (Confidential - GLC) Called Bill Hogan, House Armed Services Committee staff, and discussed the new Select Committee staff chief, Mr. A. Searle Field. Hogan said he doesn't know him but he understood he had been selected.

I told Hogan that Representative Robert McClory called me yesterday concerning the law suits Representative Michael Harrington has brought against the Agency and that at McClory's request I gave his Legislative Assistant Allen Rexinger copies of the complaints.

we are thinking of going back with a response to the effect that this should be referred to either the Nedzi Subcommittee on Intelligence or the House Select Committee. Hogan said he thought this was a good idea but I should discuss it with Jack Boos or Frank Slatinshek.

19. (Internal Use Only - PLC) Mike Cavanagh, staff member, House Post Office and Civil Service Subcommittee on Postal Facilities, Mail, and Labor Management, called to advise us that the Director will be requested to appear before the Subcommittee during its current hearings on the Postal Inspection Service. This would concern the Agency's mail intercept program. According to Cavanagh, Chairman Charles H. Wilson, (D. , Calif.) at the onset of the hearings, had some doubt as to whether the Agency had to appear, however, the testimony this week of Chief Postal Inspector William J. Cotter, raised several questions which the Chairman feels makes the Agency's appearance necessary. Cavanagh said the Director would be called to testify before the end of May, probably the 20th. I strongly reaffirmed our position previously stated to George Gould of their staff that the Director not be called to testify. Cavanagh said he would so notify Chairman Wilson.

[REDACTED] and asked the procedures that the constituent should follow to appeal his request to the Agency under the FOI Act. I explained our appeal procedures. I subsequently discussed the case with [REDACTED] C/IRS, and he indicated that the DDO had re-examined its position and found that the material in question could be provided to [REDACTED]. I then called Pratt back and advised him accordingly. He was most appreciative of the call, as [REDACTED] had been in to see the Representative personally earlier in the day.

[REDACTED] said NSA would like to come under the umbrella of the joint committee.

I also reviewed the status of the Daniels' bill (H. R. 6227, right of counsel for Federal employees) and the indications that we probably will receive a full exemption along with NSA and FBI, pursuant to the letter request of the Director to Chairman David Henderson, House Post Office and Civil Service Committee. I also informed him of the House Armed Services Committee interest if the full exemption is not granted, to obtain the approval of the Speaker that the Parliamentarian refer the bill to the Armed Services Committee.

9. (Internal Use Only - LLM) Called Representative Richard White (D., Tex.) to thank him for the revision in H. R. 6227 (right of counsel to Federal employees) that he had made and told him that we still had problems on the principle of the bill that even with the revision the bill would constitute a dilution of the Director's statutory authority with respect to the termination of employees in the interest of the United States. Mr. White appreciated the call and said he understood our position, that Mr. Daniels had indicated he would propose an amendment to grant CIA, NSA, and FBI a full exemption and although he (Mr. White) did not believe this was the best course he would not fight it in Committee. Mr. White is doubtful that the Committee will get to the bill at the next full Committee session. I told Mr. White that I can appreciate his position but that I did think it might be best to await the outcome of the deliberations of the House Select Committee before making any adjustments in the Director's authorities and responsibilities.

10. (Internal Use Only - LLM) Called Dave Bowers, FBI, to advise him of my conversation with Representative Richard White (D., Tex.) and Bowers said that his assessment, based on his own readings, is that we will succeed in obtaining a full exemption.

11. (Confidential - LLM) J. Sourwine, Chief Counsel, Subcommittee on Internal Security, Senate Judiciary Committee, called and said that based

12. (Confidential - LLM) Dorothy Fosdick, Professional Staff Director, Permanent Subcommittee on Investigations, Senate Government Operations Committee, called and said that Senator Henry M. Jackson (D., Wash.) wanted Richard Perle, of the Subcommittee staff, and herself to be updated on new Soviet weapons development and asked if Mr. Duckett could come up and brief them tomorrow. Mr. Duckett's office has been notified.

8. (Unclassified - GLC) Called Guy McConnell, Senate Appropriations Committee staff, and alerted him to the fact that we were sending him a copy of the Director's reply to Senator Edward Kennedy's request of 24 April for answers to questions concerning electronic surveillance. I told him we were sending copies to our Senate Subcommittees to keep them informed.

10. (Unclassified - GLC) Jay Sourwine, ~~Senate Internal Security~~ Subcommittee staff, called and asked if we could check into an item in Saturday's Washington Post concerning a Mr. An, from the Peking Embassy in Toronto who allegedly was ousted from Toronto because he was caught spying. Sourwine said he asked the FBI for information on this man but they said he was "not their baby" that it was strictly up to the Mounties. I told him I would let him know if we had anything on this. 25X1A

11. (Unclassified - GLC) Captain O'Brien, DIA, called concerning the letter they received from Representative Patricia Schroeder concerning the Sam Adams article. He said he had talked with Don Massey who said the DIA and CIA letters were almost identical. O'Brien said he hoped we could cooperate with each other on our replies, as we had done on a letter to Representative Les Aspin some months ago. I told him we were working on the Adams issue and would let them know before we responded to Schroeder. I told O'Brien about the many calls we have been receiving from Representative Aspin's staff people on various subjects. He said everytime the Secretary of Defense goes up on a budget presentation they get inquiries. We agreed to keep in touch.

13. (Unclassified - GLC) Called Ron Tammen, in the office of Senator William Proxmire, and told him I had a letter to the Senator from Dr. Edward Proctor which I would deliver to him tomorrow.

14. (Confidential - GLC) Pat Holt, Senate Foreign Relations Committee staff, called and inquired about the transcript of the Director's testimony of 12 March 1974 before the Multinational Corporations Subcommittee. I told Holt of the problems we are having in trying to correct the transcript and he agreed it would be best from the Committee standpoint to deliver it uncorrected and if Justice wants to develop it they can come back to us. I promised Holt the transcript would be delivered tomorrow morning. 25X1C

17. (Unclassified - PLC) Delivered to the office of Senator Edward M.
